Strengthening Brand Presence Online

Growing brands need a consistent, engaging voice across social platforms — from planning content and writing captions to tracking what resonates with the audience. As Social Media Manager Intern, the goal was to plan, create, publish, and analyze content across Instagram, Facebook, and Twitter, turning day-to-day posting into a consistent, data-informed content strategy.

The internship covered the full content workflow:

What the Role Set Out to Achieve

Content Calendar

Plan and maintain a monthly content calendar across Instagram, Facebook, and Twitter.

Copy & Captions

Write captions, hashtags, and post copy aligned with brand voice.

Publishing

Schedule and publish posts consistently across platforms.

Engagement
